

Baroque on Beaver 2022 Sponsorship Opportunities

We invite businesses and individuals to personalize their support of Baroque by sponsoring an artist or a concert of choice. The following opportunities are available for the 2022 Festival and can be paid in installments between now and May 15, 2022.

Sponsoring an artist shows your support of both the instrument or vocal category and the individual. Our musicians are honored to be sponsored and truly enjoy meeting with the donors who have sponsored them at a lovely cocktail party on the Monday evening of Festival Week. Note: Principal Musicians are listed here but any musician is eligible.

Sponsoring a non-ticketed concert encourages musicians in their smaller group volunteer performances and helps to defray the cost of concerts that are supported only by free will offerings. These concerts always cost more to produce than they earn in free will.

Sponsoring an entire ticketed concert is a testament to the artistic excellence of the Festival and its musicians and Directors. Concert sponsors will join the Board, Executive Director Matthew Thomas, Music Director Robert Nordling, and Choral Director Kevin Simons at a reception during the week before the Festival. The sponsors will also receive public recognition and appreciation from the podium at the concert.
