

We invite both businesses and individuals to personalize their support of Baroque on Beaver and the Beaver Island Performing Arts Alliance by sponsoring an artist, concert, or area of need.

The following opportunities are available for the 2023-24 Season:

- Buying a full- or half-page ad in the Baroque program book with a personal message or acknowledgement of an important date or loved one helps defray the cost of the Festival's printed materials.
- Sponsoring a non-ticketed concert supports musicians in their smaller group volunteer performances and helps to defray the cost of concerts that are supported only by free will offerings. These concerts always cost more to produce than they earn in free will.
- Sponsoring an artist shows your support of either the instrument or vocal categories and the individual. Our musicians are honored to be sponsored and truly enjoy meeting with the donors who have sponsored them at a cocktail reception during Festival Week. Both Principal and Section Musicians are eligible.
- Sponsoring either housing costs or music-rental & purchase costs help to support those integral budgetary items which produce a world-class festival and attract world-class artists.
- Sponsoring an entire ticketed event, our planned arts administration internship program, or a newly commissioned work is a testament to the artistic excellence of the BIPAA and its musicians and directors. These sponsors join the Board, Executive Director Matthew Thomas, Music Director Robert Nordling, and Choral Director Kevin Simons at a reception during the Festival. These sponsors will also receive public recognition and appreciation from the podium at their concert.
- Season Sponsors make the highest commitment to ensure the BIPAA's present and future. By underwriting the Baroque on Beaver season, you give us the ability to attract and support our great professional artists. A gift to the BIPAA Endowment Fund is the ultimate show of support for the long-term success of the arts on Beaver Island – and for the Beaver Island community.

Level 1: Fan ~ \$5 to \$99

Program Recognition
